In the newest Women's Murder Club thriller, a killer who chooses victims personally is stalking San Francisco--and getting too close to Detective Lindsay Boxer.

A series of shootings exposes San Francisco to a methodical yet unpredictable killer, and a reluctant woman decides to put her trust in Sergeant Lindsay Boxer. The confidential informant's tip leads Lindsay to disturbing conclusions, including that something has gone horribly wrong inside the police department itself.

The hunt for the killer lures Lindsay out of her jurisdiction, and gets inside Lindsay in dangerous ways. She suffers unsettling medical symptoms, and her friends and confidantes in the Women's Murder Club warn Lindsay against taking the crimes too much to heart. With lives at stake, the detective can't help but follow the case into ever more terrifying terrain.

A decorated officer, loving wife, devoted mother, and loyal friend, Lindsay's unwavering integrity has never failed her. But now she is confronting a killer who is determined to undermine it all.

History notes that the ugly feud between J. Edgar Hoover and Martin Luther King, Jr., marked by years of illegal surveillance and the accumulation of secret files, ended on April 4, 1968 when King was assassinated by James Earl Ray. But that may not have been the case.

Now, fifty years later, former Justice Department agent, Cotton Malone, must reckon with the truth of what really happened that fateful day in Memphis.

It all turns on an incident from eighteen years ago, when Malone, as a young Navy lawyer, is trying hard not to live up to his burgeoning reputation as a maverick. When Stephanie Nelle, a high-level Justice Department lawyer, enlists him to help with an investigation, he jumps at the opportunity. But he soon discovers that two opposing forces--the Justice Department and the FBI--are at war over a rare coin and a cadre of secret files containing explosive revelations about the King assassination, information that could ruin innocent lives and threaten the legacy of the civil rights movement's greatest martyr.

Malone's decision to see it through to the end ---- from the raucous bars of Mexico, to the clear waters of the Dry Tortugas, and ultimately into the halls of power within Washington D.C. itself ---- not only changes his own life, but the course of history.

Kait Whittier has built her magazine column into a hugely respected read followed by fans across the country. She loves her work and adores her grown children, treasuring the time they spend together. But after two marriages, she prefers to avoid the complications and uncertainties of a new love.

Then, after a chance meeting with Zack Winter, a television producer visiting Manhattan from Los Angeles, everything changes. Inspired by the true story of her own indomitable grandmother, Kait creates the storyline for a TV series. And when she shares her work with Zack, he is impressed and decides to make this his next big-budget project.

Within weeks, Kait is plunged into a colorful world of actors and industry pros who will bring her vision to life. A cool, competent director. An eccentric young screenwriter. A world-famous actress coping with private tragedy. A reclusive grande dame from Hollywood's Golden Age. A sizzling starlet whose ego outstrips her abilities. L.A.'s latest "bad boy" actor, whose affairs are setting the city on fire. An unknown ingénue with outsized talent. And a rugged, legendary leading man. As secrets are shared, the cast becomes a second family for Kait. But in the midst of this charmed year, she is suddenly forced to confront the greatest challenge a mother could ever know.

The strength of women--across generations and among friends, colleagues, and family--takes center stage in this irresistible novel, as all-too-real people find the courage to persevere in life's drama of heartbreak and joy.

Lincoln Rhyme and Amelia Sachs return to New York City to confront a killer terrorizing couples at their happiest--and most vulnerable.

In the early hours of a quiet, weekend morning in Manhattan's Diamond District, a brutal triple murder shocks the city. Lincoln Rhyme and Amelia Sachs quickly take the case. Curiously, the killer has left behind a half-million dollars' worth of gems at the murder scene, a jewelry store on 47th street. As more crimes follow, it becomes clear that the killer's target is not gems, but engaged couples themselves.

The Promisor vows to take the lives of men and women during their most precious moments--midway through the purchase of an engagement ring, after a meeting with a wedding planner, trying on the perfect gown for a day that will never come. The Promisor arrives silently, armed with knife or gun, and a time of bliss is transformed, in an instant, to one of horror.

Soon the Promisor makes a dangerous mistake: leaving behind an innocent witness, Vimal Lahori, a talented young diamond cutter, who can help Rhyme and Sachs blow the lid off the case. They must track down Vimal before the killer can correct his fatal error. Then disaster strikes, threatening to tear apart the very fabric of the city--and providing the perfect cover for the killer to slip through the cracks.

"Decker is one of the most unusual detectives any novelist has dreamed up." --Washington Post

Amos Decker is the Memory Man. Following a football-related head injury that altered his personality, Decker is now unable to forget even the smallest detail--as much a curse as it is a blessing. And in #1 New York Times bestselling author David Baldacci's gripping new thriller, Decker's life might be about to change again...

Something sinister is going on in Baronville. The rust belt town has seen four bizarre murders in the space of two weeks. Cryptic clues left at the scenes--obscure bible verses, odd symbols--have the police stumped.

Amos Decker and his FBI colleague Alex Jamison are in Baronville visiting Alex's sister and her family. It's a bleak place: a former mill and mining town with a crumbling economy and rampant opioid addiction. Decker has only been there a few hours when he stumbles on a horrific double murder scene.

Then the next killing hits sickeningly close to home. And with the lives of people he cares about suddenly hanging in the balance, Decker begins to realize that the recent string of deaths may be only one small piece of a much larger scheme--with consequences that will reach far beyond Baronville.

Decker, with his singular talents, may be the only one who c ...

Price: \$27.99

An unspeakable crime. A confounding investigation. At a time when the King brand has never been stronger, he has delivered one of his most unsettling and compulsively readable stories.

An eleven-year-old boy's violated corpse is found in a town park. Eyewitnesses and fingerprints point unmistakably to one of Flint City's most popular citizens. He is Terry Maitland, Little League coach, English teacher, husband, and father of two girls. Detective Ralph Anderson, whose son Maitland once coached, orders a quick and very public arrest. Maitland has an alibi, but Anderson and the district attorney soon add DNA evidence to go with the fingerprints and witnesses. Their case seems ironclad.

As the investigation expands and horrifying answers begin to emerge, King's propulsive story kicks into high gear, generating strong tension and almost unbearable suspense. Terry Maitland seems like a nice guy, but is he wearing another face? When the answer comes, it will shock you as only Stephen King can.

The Punishment She Deserves

A Lynley Novel

by Elizabeth George

Binding: Hardback

Series: Lynley Novel, A

Publisher: Viking

Pub. Date: 2018-03-20

Pages: 704

Price: \$25.90

Detective Sergeant Barbara Havers and Detective Inspector Thomas Lynley are forced to confront the past as they try to solve a crime that threatens to tear apart the very fabric of a quiet, historic medieval town in England

The cozy, bucolic town of Ludlow is stunned when one of its most revered and respected citizens--Ian Druitt, the local deacon--is accused of a serious crime. Then, while in police custody, Ian is found dead. Did he kill himself? Or was he murdered?

When Barbara Havers is sent to Ludlow to investigate the chain of events that led to Ian's death, all the evidence points to suicide. But Barbara can't shake the feeling that she's missing something. She decides to take a closer look at the seemingly ordinary inhabitants of Ludlow--mainly elderly retirees and college students--and discovers that almost everyone in town has something to hide.

A masterful work of suspense, *The Punishment She Deserves* sets Detective Sergeant Barbara Havers and Inspector Thomas Lynley against one of their most intricate cases. Fans of the longtime series will love the many characters from Elizabeth George's previous novels who join Lynley and Havers, and readers new to the series will quickly see why she is one of the most popular and critically acclaimed writers of our time. Both a page-turner and a deeply complex story about the lies we tell, the lies we believe, and the redemption we need, this novel will be remembered as one of George's best.

Everywhere, waters are rising--and that is just the beginning of the world's peril, unless the NUMA crew can beat the clock.

An alarming rise in the world's sea levels--much larger than could be accounted for by glacier melt--sends Kurt Austin, Joe Zavala, and the rest of the NUMA scientific team rocketing around the globe in search of answers. What they find at the bottom of the East China Sea, however, is even worse than they imagined: a diabolical plan to upset the Pacific balance of power--and in the process displace as many as a billion people.

A rare alloy unlike anything else on earth, a pair of five-hundred-year-old Japanese talismans, an assassin so violent even the Yakuza has disowned him, an audacious technological breakthrough that will become a very personal nightmare for Kurt Austin - from the shark-filled waters of Asia to the high-tech streets of Tokyo to a forbidden secret island, the NUMA team must risk everything to head off the coming catastrophe

Twisted Prey

Pub. Date: 2018-04-24
Pages: 400
Price: \$27.30

Lucas Davenport confronts an old nemesis, now a powerful U.S. senator, in the latest novel in John Sandford's Prey series.

Lucas Davenport had crossed paths with her before.

A rich psychopath, Taryn Grant had run successfully for the U.S. Senate, where Lucas had predicted she'd fit right in. He was also convinced that she'd been responsible for three murders, though he'd never been able to prove it. Once a psychopath had gotten that kind of rush, though, he or she often needed another fix, so he figured he might be seeing her again.

He was right. A federal marshal now, with a very wide scope of investigation, he's heard rumors that Grant has found her seat on the Senate intelligence committee, and the contacts she's made from it, to be very...useful. Pinning those rumors down was likely to be just as difficult as before, and considerably more dangerous.

But they had unfinished business, he and Grant. One way or the other, he was going to see it through to the end.
