Rediscover the classic G&T. This kit includes natural botanicals and the perfect glasses to enjoy a drink like you never have before. Gin drinkers know there's more to a great gin & tonic than those two ingredients. We love to end the day with a refreshing glass of London Dry and premium tonic, so we took it upon ourselves to find the perfect ingredients which add to the flavour. After many glasses (we were very thorough) we settled on our three favourite botanicals; sourced them from the finest growers and dried them naturally to keep them tasting their best. You'll find those magical ingredients, carefully selected glasses, cheekily labelled stirrers, coasters and a notebook & pencil in this perfect kit for gin drinkers.

This special seasonal mulling pack allows you to enjoy cozy mulled wine with Teroforma's signature 1pt Infusion blends! Contains single packets of Mulled Red and Mulled White infusions and enough blend material to infuse six full standard bottles of wine – just right for an introduction to 1pt during the chilly winter months. Each Mulling Pack infuses 6 full standard bottles of wine - 3 red and 3 white. Mulling blends deliver a gentle infusion of flavour in just 20-30 minutes. **Mulled Red:** Over the winter period in much of northwestern Europe, holiday gatherings are often made all the more cheery with a batch of warmed red wine fortified with spices and citrus. Based on a family recipe for classic Swedish Glögg, this blend is best infused in a full-bodied red wine with a bit of added natural sweetness. **Mulled White:** A variation on a family recipe for classic Swedish Glögg, this blend mulls white wine instead of red. The lighter spices and airy lemon verbena combine with apple and the peppery notes of ginger and peppercorn to accentuate the sunny character of a fruity white. Add a bit of natural sweetness to ward off the winter doldrums.

Wine Twirls® chill your favourite white wine right where it counts — in the glass! Just one Wine Twirl will keep your glass of wine at fridge temperature for up to 45 minutes with no dilution. Beautiful and useful, Wine Twirls offer an element of visual sophistication to your glass as they deliver the perfectly chilled sip every time. Made from BPA-free FDA-approved, food-safe resin, and a high-tech thermal gel, Wine Twirls will impart neither flavor nor odour and will rest at the bottom of the glass - never to interfere with that next refreshing sip. HOW TO ENJOY...

CHILL - Chill Wine Twirls in the freezer 3 hours ahead of use.

POP - Pop open a bottle of your favourite chilled wine & drop a Twirl into your glass.

TWIRL & SWIRL - Swirl & enjoy your chilled wine through the last sip! Hand wash prior to first use and thereafter following each use and freeze.
