The 33-piece set of farm-themed animals, buildings, and play pieces includes a wheeled tractor that pulls a flat-bed trailer, sized to transport the farm animals all around the farm! The wooden blocks are brightly decorated on one side and are great for stacking, sorting, counting, and building, as well as being designed to play perfectly with Melissa & Doug activity rugs. This set is a perfect way for kids three and older to develop fine motor skills, and encourages storytelling and imaginative play. Ages 3 and up.
